

Flowers, Trees, & Honey Bees

Children's Art Exhibition 2018

Exhibition: January 11- February 17, 1018

Reception: 5:00-7:00 p.m. Thursday, January 18

Interpretations of a special garden place, the beauty of a single flower, tree shapes, a floral arrangement, insects, or patterns and symmetry found in nature find a home in this exhibition. Pieces selected for display will be determined by how well they represent the theme of **plants, gardens, and insects**, the quality of work, and available gallery space.

Kindergarten through eighth grade students of Museum Member Schools, Hockaday Art Classes, and children included in Family Level Museum Memberships are eligible to participate in this exhibition. Eligible **students or their teachers may submit art**. Artwork must have been created September 2017 – January 2018. Limit of one entry per person. **Please give each work of art a title**. It is suggested that two-dimensional art be mounted on or matted with colored construction paper; it must be unframed, flat, and **no larger than 12"x18"**. Three-dimensional art will be accepted as exhibit space allows. Contact Kathy Martin, Director of Education, at 755-5268 or e-mail education@hockadaymuseum.org with any questions about art for this exhibition.

We ask teachers to make a pre-selection of entries they submit in order to help us create the best collection of art work possible.

All **artwork** must be accompanied by a **completed entry form** and **delivered to the Museum** located at 302 Second Avenue East, Kalispell, MT. Entries will be accepted **December 12, 2017 through January 5, 2018**. Museum Hours are 10 am to 5 pm Tuesday – Friday, 10 am – 4 pm Saturday.

Artwork must be picked up from the Museum between February 20 and March 10. The Museum is not responsible for unclaimed artwork after March 10, 2018.
